

### **Ideas for keeping in touch with your funders**

Keeping in touch with your funders is so important and doesn't have to take lots of time or expensive resources. Think about ways you can keep your funders up to date.

### **Communication tools?**

**Could you use telephone, email, letter, newsletter, site visits, or another tool?**

### **Saying thank you**

**Ideas that would work for your organisation:**

**Thank you cards, emails, letters, telephone calls, letters from beneficiaries, videos of the work?**

**Keeping in touch:**

**How often will you stay in touch?**

**Who will be responsible for staying in touch?**
